- Business Sponsorships: Income of \$9000 (30/70 split) 23 participants
- Sheetz Books: Income TBD, this is still a work in progress.

Several Fundraisers will be discontinued:

- Basket Sale: Did not make a profit, difficult to sell minimum required amount.
- Sheetz Books: This program is being discontinued by Sheetz
- Raffles, 50/50: We no longer have a small games of chance license

Several fundraising ideas were discussed for the upcoming year:

Discount card: Selling a card with discounts for area business. Little cost to us, would need someone to coordinate and approach business.

Sub Sale: Continue this twice per year.

Perkins Dine In Nights: Continue this twice per year.

Mini Golf a Rama: The idea was discussed for a mini golf tournament that would involve the students. An idea was also raised about hosting a dodge ball tournament and inviting other area band programs.

Michelle Chambers volunteered to check out other band booster's websites to gather other fundraising ideas.

Also discussed were ideas to increase participation in the current fundraisers, especially with a trip scheduled for next year, to allow families the ability to pay for the trip by fundraising.
