Central Dauphin Band Boosters Association
437 Piketown Road
Harrisburg, PA 17112-9343

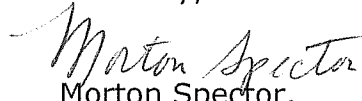

Dear Friends,

Your spirit of giving will make a difference as we create an annual donor fund for the Harrisburg Public Schools Foundation (HPSF). The gifts we receive along with yours will allow the Foundation to support Harrisburg School District programs like athletics. Without individual annual support, these important extracurricular activities would not be possible.

A very generous gift of \$1,800.00, such as yours, sets an example of how the community can have a positive impact in the lives of our public school children. Now more than at any other time, the students of the Harrisburg School District are reliant on every capable person to take an active role in ensuring that each student will receive equal educational opportunities, and the guidance and encouragement to fulfill their academic dreams.

Again, thank you for your gift to the HPSF. Please keep this letter as a receipt for your contribution.

Sincerely,

Morton Spector,
Chairman of the Board

(No goods or services were given for this gift).
