III. NEW BUSINESS

A. Beverages for Visiting Bands- Mark Guise has suggested that we implement a policy that the band boosters will provide visiting bands beverages (whether hot or cold) similar to what State College does for us. Mark suggests that we formally adopt this as a policy or resolution so that it becomes a CD Band tradition, rather than something that's done for a while, then forgotten. Mark also suggests our drum majors visit the opposing band during the first quarter to advise them of this. We'll discuss at the upcoming meeting.
