Student Officers Report: Janelle Koontz and Brandon Mouery: It was a busy month for Jazz. Seven students attended the District Jazz festival. The Jazz Pops concerts went well, and they also played for the Senior Citizens in Elizabethtown which was fun, the audience was very appreciative. The officers reported that the Craft show is always a lot of fun to help out with, and thanked the Boosters for all of their hard work!

Band Directors Report: Mr. Ceresini: He also reported that Jazz has been very busy. The Senior Citizen show was very nice, and was the best standing ovation they have had all year! The third MP evaluations are done for concert band, and there is exciting stuff coming up. Mr. C. thanked everyone for all their hard work on the Craft show, it makes the band and our school look really good, and his parents love the show!

We are hoping to have a sold out show.

Messiah College has invited the students to their new performance hall for an Instrumental Music Day on April 29. They will not be returning to school until 5:30, so the evening Dress rehearsal for concert band is cancelled.
