

Meeting Minutes  
October 2, 2012

Mr. Ceresini called the meeting to order at 7:02pm.

**Student officer's Report: Janelle Koontz and Brandon Mouery:** They commented that BandaRama was "great"; it was Janelle's 12<sup>th</sup> that she has been involved in! They thanked the Boosters for making it so special. They also said it was very cool to go to the Heart Walk to support Brady. They have been having a great senior year so far. They are currently having practice with the giant red flag, wearing their hats and plumes. Brandon's comment was "You can take my head, but not my plume"!

**Financial Secretary's Report: Maki Traynor:** There have been deposits made for Band Fair, BandaRama, and a large deposit for HERCO volunteering.

**Treasurer's Report: Cindy Case:** The parent ad payments have not been deposited yet, and there has not been a reimbursement yet from the district for the truck for last year's indoor season.

**Vice President's Report: Kelley Houtz, Michelle Chambers, and Dena Jefferson:** Michelle reported that the website update is finished. There were some questions about pictures being updated, Michelle will check on this.

**Recording Secretary's Report: Laurie Kissinger:** The minutes were posted online from last month's meeting. They were approved by Deb Hauf and seconded by Michelle Chambers. They were approved by a unanimous vote.

**Band Director's Report: Mr. Ceresini:** The football team is doing very well, you should probably pencil in the first playoff weekend, which will likely be a home game. The Middletown show went well; we were the big band at a tiny show! BandaRama was great, we had a good performance, and a great show overall, thanks to all involved! Mrs. Ceresini was in attendance for the State College game and loved the show!

Jazz Bands will have their first performance this Friday at the Four Diamonds kickoff; there are a lot of kids in Jazz band this year. The Jazz and Concert Bands are doing a performance based assessment, new this year is the option to record on Charms, and Mr. C. can listen and evaluate at home. Some recording hints: set the microphone on low or stand far away from it to get a good sound.

*Upcoming events:* We are definitely performing in the Holiday Parade; it will have a later start this year. We will also be performing in the TOB championship show which CD East is hosting, there are 50 bands scheduled! The 60' x 30' flag is here which will cover the wind and battery players during the show; it may be unveiled this weekend. Jazz has more gigs scheduled in November and December. There are sign up sheets in the band room for district band auditions; this should be finalized by the end of the month. Band pictures will be taken on November 3.
