Schedule changed... not going on NY trip, accommodations not feasible, service day on first Friday of band camp, instead of rehearsing band members go to nonprofit organization to do community service to give back. First football game has been moved to Thursday on the first week of school and is a home game. There are 6 home games and 4 away games, home games we need volunteers so sign up on charms. The 1st day of band camp will be an all-day team building day, with movie. This is all day 8-9, so bring lunch and dinner provided. The DCI ticket has been removed from the wearable order as the DCI quarterfinals live stream this year is a week later doesn't line up with our schedule. So now DCI not something to order on wearables, they will either live stream or

play DVD from last year to see what drum corps looks like. Choice – DCI ticket write a new check or send in a withdrawal request form and the money will go into student account.

Golf-a-Rama: Tom Castanzo/David Rhine: Friday June 17th good turnout and good weather, 12:30 start for 5-6 groups. Mr. Carraher group won, dinner and raffle prizes, every group that won monetary prizes donated the money back to the band. \$1,800K was donated back. Minor victory, though, since we didn't know if we break even on this event.

Fall Sports Preview: Need coordinator, like a big pep rally, all sports teams go, introduce everyone it is the first Tuesday Aug. 30, due to the football game being on Thursday. Band boosters run home side concessions stand, for just that event, tables and grill to feed our kids since leaving school and headed to Landis field, hot dogs, chips, and chicken. Need people to volunteer plan a few weeks out. Home Football game band boosters run the away side/visitors of the concessions also bake goods, and they are donated, advised new parents always go to the visitor side concessions stand. Third quarter the boosters feed the kids food, saves time due to lines. Holly and Scott Zieber do the food. Subway- Every marching band event at home, the students' need \$5.00 each. The students practice 3-4PM, but need to hand in by Thurs morning, sandwich, cookie, drink, and it is delivered. Away games that are long drives, like State College they stop for food.

NEW BUISNESS:

Uniform fitting – Lori Goldman – Sign up forms to fit each student individually. Each time the students are here, someone is here doing fittings. During minicamp/main band camp, they are organized by stock number, hemming with snaps, just sew snaps, get them in and out of uniforms, 85 total band members 73 students need fitted for uniforms, can email what is being done on each night. Lots of help also in charms. Cheryl is the asst. This is a great way to get to know the student and the fellow parents, trying on dinkles and gloves, box used gloves and shoes to try on to get the right size. Mr. Carraher - volunteer badge is required for anything to do anything with students like pit helpers, uniforms, chaperone, etc. Call district number and ext. 7 to set up appoint to get badge

clearances go to district web Human Resources. They are good for 5 years, if you have one don't need to do again. If you've done it within the year, you can use the same paperwork and you'll still have to see the district to get district badge. www.cdsd.org
www.cdschools.org. Offices are here and east high.

Kathy Novak - Chicken BBQ Aug. 11, band parent night pick up 4-7PM cost \$8.50 for a ½ chicken, roll, butter, fruit, and a drink. Texas Roadhouse might donate rolls, and checking on adding the fruit, nominal fee to add the fruit, each marching band member must sell 5 tickets each. The incentive for students to sell is a \$50 gift card for highest student seller and 25\$ for the second highest. Banking on the sports team ordering food. July 20th, 5 tickets per student, 2 weeks to sell tickets. Aug. 2nd return tickets and money so we have a count. If they need more let them know, and parking lot pick up. Students to help after camp to put bags together and ready for 4PM. Well-aligned with preview, since the parents will be here, picnic flyers being passed around with information. Advertise, give ram band email for tickets for public, PayPal account for band. Friends and family on PayPal doesn't cost anything. This is for outside sales for PayPal 503c there is a charge for PayPal, need to be careful. The more presales the more money in the bank. Discuss about having extra chicken for drive ups. Shouldn't be a problem buying tickets. Extra tickets, if we have them will be available, but we buy them if we don't sell them. Questions - contact Tom or Kathy Novak. Portion of profit goes into students account, likely 70% student account and 30% to band. Gift card will give script gift card. More we sell = more profit.

Dine to donate - Perkins Aug. 3rd Perkins coupons from student buy dinner and portion go to band. Dismiss early go to Perkins, drop kids adults go to Perkins, 2 different dine to donate Texas Roadhouse maybe ideas for a 3rd place.
