CFS Mattress Fundraiser: Ginny Becker: Their company has been around for 10 years. PA is one of their newer territories. They are based out of Ohio. She explained how the program works. Their staff will come in and set up our cafeteria like a mattress showroom and handle all of the sales and questions. Generally, 1 in 10 people are in the market for a new mattress. In a one day sale, it is possible to raise \$20,000 for your organization. They also sell pillows, blankets, etc. These are all name brand mattresses, plush-top, pillow-top, etc. Cheaper than in stores and all warranties are valid, if there is a problem, contact Ginny directly. You can either pick the mattress up at their warehouse in York or pay a \$50 delivery fee. For each mattress sold the Band Boosters will earn \$100, if a customer mentions your band student's name they will receive a \$25 referral bonus in

their student account. We would love to get several hundred people here on May 14th. The best advertising is to tell your friends and family, neighbors, etc. Yard signs will be here on Thursday, please place them around our community. Posters and flyers are also available to take along tonight. There will be a few opportunities for volunteers to greet customers as they arrive and there is a mattress costume for anyone that would like to wear it.
